

ISRAELI INSTINCTIVE SHOOTING

IDF HAND CUFFING PROCEDURES

Goals: The objective of this course is for each participant to be able to effectively and safely hand cuff and search a violent individual. This is a highly technical procedure and extremely dangerous, therefore we must have a set protocol and system for it's fast and smooth execution.

Needs: Pants, sneakers, T-Shirt. Weapons and cuffs will be provided by the school.

Specific skills taught during the seminar:

- How to effectively corner and close in on the enemy
- Approach and disarmament of the enemy
- Handcuffing with flex cuffs and steel
- Searching the enemy for weapons
- Packaging and transporting the prisoner
